MEMORANDUM FOR: The Director

I saw Mr. Clark M. Clifford today and explained to him the current situation on the executive pay bills. He said he completely supported Level II for the Director and Level III for the Deputy Director and wanted to do what he could. We discussed whether the President should be asked to take up this point with the leadership in the same manner he did with our early retirement bill. Mr. Clifford felt you should approach the President on this although he said he would be glad to talk to him but felt it would be better coming from you. In view of the reaction you got from McGeorge Bundy, this may not be feasible and you may want to talk to Mr. Clifford about your talk with Mr. Bundy.
